RANDOM NOTES

ELECTION RESULTS - President : Don Brady Secretary : Dot Nophsker
 V. Pres. : Earl Shaffer Treasurer : Anna Farnor

ADVANCE NOTICE - POE VALLEY - August 28-29-30, with Alpine Club of Williamsport.
 In central Pennsylvania. Details in next Bulletin.

DUPLICATOR - one has been purchased by the Club to facilitate production of Bushwack
 Bulletin. However, it doesn't produce those deluxe headings. Credit those to
 Brady's Print Shop.

HORSE-SHOE TRAIL - The late Mr. Henry Wollman, originator of the Trail and also the
 Horse-Shoe Trail Club, explained that the name is hyphenated to signify its dual
 purpose, both riding and walking. He also was a Board of Managers member of ATC.
 I remember him as a tall, white haired gentleman with the vigor and poise of a man
 half his age. And I recall with poignant pleasure his hospitality and the beauty
 of his home near Philadelphia, with its wonderful wildflower garden.

WILDFIRE - The greatest threat to our woodlands. Spring is a hazardous season. Most
 fires result from careless smokers or campers. Fires should always be used where they
 can be properly controlled and disposed of. The same is true of cigarettes. Be
 careful with fire...always!

SHELTERS - With Clarks Valley Leanto completed and Susquehanna Leanto in the final
 stage it is perhaps timely to consider completing the chain in our area. Preliminary
 exploration several months ago indicates the possibility of a passable location on the
 SATC section, about midway of the two, on the north side.

WEDDINGS - Congratulations and all best wishes for the future to:

Ann Meikle and Carl Eriksson
 March 21, 1959

Iona Ima Dunn and Warren Dillaway
 March 14, 1959

SORTIES TO SOUTHWARD - Ruth and Elmer Bolla have just returned from a two week's
 sojourn in sunny Florida. But where was the sun? Quoting their card to Don:
 "The flowers were beautiful, seen through a veil of rain. This can't last forever."
 Also traveling in Florida are Anna Farnor and Wilmer Shellman. George Gruber has
 touched there several times during his current cruise in the Carriboan.

MORE ABOUT MAPS - The recent, lamentable episode at Swatara Gap, when two boys went
 astray and the story hit the headlines, is a good indication of the need for the
 dispersal of information about the Trails whereabouts. If you are interested in map
 making or have information to offer, please contact the Bulletin Committee.
