GENERAL HIKE INFORMATION

1. MEETING LOCATION

Unless otherwise noted in the hike schedule, all hikes on weekends and holidays leave from **Fisher Plaza** (entrance to the State Library, access from 7th Street) behind the State Capitol Building. Should Fisher Plaza be closed, the alternate meeting site is the parking island in front of the East Gate Office Center on 7th Street, opposite the Herr Street underpass. Five additional minutes will be allowed for arrival at the alternate site.

2. TRANSPORTATION

If you ride with someone, you should give the driver **5 cents** times the highway mileage shown in the hike schedule to help defray the costs of transportation.

3. REGISTRATION

All hikers are asked to register with the hike leader at Fisher Plaza or at the trailhead before starting any scheduled hike. Some hikes require advance registration with the hike leader, please check the schedule for this requirement.

4. NO PETS ALLOWED

5. PACK IN, PACK OUT (LEAVE NOTHING BEHIND)

6. SMOKING GUIDELINES

SATC prefers that hikers refrain from the use of tobacco products during Club activities. Smokers are individually responsible for damage to the forests.

FROM THE PRESIDENT

Dear SATC Members,

Good News! Tyra Sperry was named Volunteer of the Year at the annual Middle Region Meeting of the Appalachian Trail Conference.

Bad News! As nearly as can be determined SATC has been running a deficit these past two years. The Board decided to raise the yearly dues from \$7 a person to \$10 a person and from \$10 joint membership to \$15 joint membership. The increase will take effect from this issue of the Bushwack Bulletin.

The Appalachian Trail Conference and the Keystone Trails Association both want to change their names. The ATC wants to change their name to Appalachian Trail Conservancy and the KTA to Keystone Hiking Trails Association.

The reason the ATC wants to change is that the word conference now has a new meaning. To most people it means a big meeting. The KTA wants to change their name because trails no longer means only hiking trails. The term trails includes snowmobile, ATV, horse, and biking trails.

Both the ATC and the KTA are changing their basic structure. Both are getting a board of directors. The ATC's board of director's primary concern is going to be fund raising. The care of the footpath will be in the hands of a Stewardship Committee and a Regional Partnership Committee. The KTA board will be in charge of running KTA. They will hire an Executive Director whose main job will be fund raising. In both cases the preservation of the trails need an infusion of money. Please join the ATC and the KTA.

*Happy Trails,
Barb Harvey*

To: the SATC Board and Officers.

TRAILMASTER'S NOTES

SATC recently completed work on a short relocation of the Appalachian Trail on Peter's Mountain, SGL# 211, approximately one half mile south of the Rte 325 road crossing in Clark's Valley. This relocation was approved by the PGC back in November 2001. Construction by SATC volunteers did not start until March 2003 due to other trail work priorities.

This approximately 1000 foot long relocation consists of one long switchback and utilizes properly graded side-hill construction almost its entire length. It replaces a steep section of trail that was becoming badly eroded and was near seasonal spring seeps. The new trail section was built to Appalachian Trail Conference standards for new trail construction and is now clearly paint blazed

and open for use. The old section of trail was blocked off with forest debris and all paint blazes removed or painted over in natural tones.

This project was completed by 31 volunteers who gave 512 hours of fieldwork and travel time during nine club sponsored work trips. The work was especially arduous due to side-hill digging in very rocky soils. The completed trail section was built with minimal erosion control structures, as the side-hill construction technique should provide for proper drainage. Future maintenance needs will be minimal.

If you have any questions or comments about the construction please contact me. We hope to work cooperatively with the PGC on future trail projects.

Jeff Buehler - SATC Trailmaster.

A reminder for the 2004 - 2005 Pennsylvania hunting seasons

IF YOU'RE OUT THERE, BE AWARE WEAR BLAZE ORANGE FOR SAFETY

It is unlawful for non-hunters to be present on State Game Lands from November 15 through December 15 inclusive without wearing at least a fluorescent orange hat, visible from 360°; a vest or jacket of 250 sq. inches of safety orange is recommended. Sportsmen will be hunting in Game Lands, State Forests and some State Parks. Hunting is prohibited on the Appalachian Trail's National Park Service-owned corridor, but not all hunters are aware of this.

For more details on hunting seasons, check out www.pgc.state.pa.us

Trail Maintainers Needed

SATC is still looking for additional volunteer trail maintainers to help in maintaining sections of our hiking trails. Historically, we have relied on scheduled club work trips to maintain our trails and for construction of new or relocated trails. With the increasing number of miles of trails that the club is responsible for, and the irregular turn out of volunteers on club work trips, it is preferable to also have individual trail section maintainers to supplement the work trips.

The Club is currently assigned 9.6 miles of the Appalachian Trail on Peter's Mountain in Dauphin County but is expected to add 11 more miles of the trail on Stony and Sharp Mountains (State Game Lands #211) this fall when management responsibility is formally transferred from the Brandywine Valley Outing Club of Wilmington, DE to SATC. In addition, the Club maintains 2.8 miles of side trails that connect with the A.T. on Peter's Mountain; the 7.8-mile long Darlington Trail on Blue and Little mountains in Cumberland and Perry Counties; and a 7.4-mile long section of the Horseshoe Trail in Dauphin County. In all, we are responsible for maintaining about 40 miles of trails.

A committee, consisting of the Trailmaster and other interested club volunteers has determined the breakdown of trail sections for individual trail maintainers. Trail section lengths vary from approximately 1 to 3 miles depending on terrain and access points. The duties of maintainers will be general in nature – consisting of regular visits to their trail section and performing light maintenance activities involving weeding and pruning trail-side plant growth; cutting out and removing small tree blow downs and fallen branches; cleaning out water bars; and trash pick-up and removal. Heavy duty trail construction and enhancement work; large tree blow down removal; and other work requiring the club trail crew will still be done with scheduled club work trips. Trail paint blazing will be done by experienced designated volunteers to assure consistency and quality. Volunteers for these assignments will receive written trail maintenance standards and guidelines our club adheres to; a trail section maintainer's register showing all trail sections and each maintainer's name and contact information; trail maintenance work logs to keep track of hours; and the necessary tools if they want/need them (may use personal tools if they prefer). A new (2004 edition) Appalachian Trail map, section 7 & 8, will be given to each trail maintainer. This comprehensive map shows all the trails SATC currently maintains for the public.

Anyone interested in these volunteer positions please contact: Jeff Buehler - SATC Trailmaster (717) 657-8281 or email: athikerjb@aol.com

T-shirt Salesperson

There is an opportunity to help the club by becoming our t-shirt salesperson.

You would sell the shirts at club meetings, hikes and social events. It doesn't take much time and is an important job.

Club Historian

SATC needs a club historian. This involves caring for the archives. We are seeking someone to organize the archives and keep them up to date.

Hike Schedule Coordinator

We need someone to get the hike information together to be e-mailed to the Editor for the Bushwack Bulletin, to the Webmaster and to our Publicity Volunteer (you can e-mailed all three in one go!). This involves typing the information into a Microsoft Word table on your computer and checking for accuracy.

Editor Bushwack Bulletin

Our Editor is likely to be returning to New Zealand in mid-2005. We are looking for someone to compile the Bushwack Bulletin, either in Microsoft Word, Publisher or similar. Assistance will be available in training the new Editor and a helpful guideline document is on hand.

If you are interested in any of these volunteer opportunities contact Barbara Harvey bjaneharvey@aol.com or (717) 766-7868.

NPS Hours of Service Awards Program

The National Park Service has created an Hours of Service Award program designed to show its appreciation for the incredible number of hours that volunteers have dedicated to the AT. There are four levels of awards:

- 8-99 hours – AT volunteer pin
- 100 – 499 hours – AT volunteer patch
- 500-999 hours – AT volunteer baseball cap
- 1000+ hours – AT volunteer fleece vest

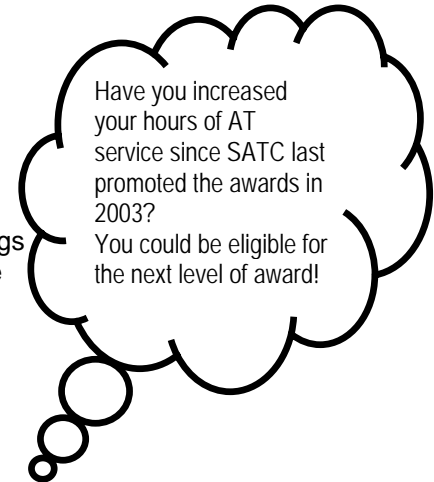

Eligible hours **must** relate directly to the oversight of the Appalachian Trail.

Examples of hours that count toward the awards program (include travel time):

1. Appalachian Trail Maintenance, AT Trail design, negotiation of AT trail routes
2. Attending SATC Board meetings or ATC meetings
3. Any AT Conference activity; volunteering at ATC Headquarters in Boiling Springs
4. Chainsaw, Wilderness First Aid or other training to prepare for AT maintenance
5. AT Local Management Plan committee

Examples of hours that do not count toward the awards program:

1. Scouting or leading hikes unless hike is for an ATC activity
2. SATC social events; SATC program meetings
3. Trail maintenance on trails other than the AT

Please be as specific as possible when completing this form.

If you have questions concerning the eligibility of your volunteer hours, contact Pat Zinn, Awards Committee Chair pzinn@comcast.net or (717) 697 0648. If you need help determining the number of maintenance or conference hours you have volunteered, please contact Jeff Buehler athikerjb@aol.com or (717) 657-8281.

Return the form to Pat Zinn, 5226 Oxford Drive, Mechanicsburg, PA 17055 or by e-mail pzinn@comcast.net
