MARCH FOR THE MANSION

8:15 AM – 2:30 PM

HIKERS You are invited to join us for the *"Ironmaster's Challenge"*, a 24-mile hike and trail run in the Tuscarora State Forest located in South-Central Pennsylvania. Colonel Denning State Park in northern Cumberland County, marks both the start and finish of a challenging course that loops several times into southern Perry County. The terrain varies from the well-groomed Tuscarora Trail, to some rough and rocky multi-use trails with a few respites offered by old logging roads. The Challenge is designed to test the serious hiker and trail runner as well as the seasoned recreational hiker.

WALKERS The *"March for the Mansion"* is a less demanding 14K course that is suited for the more leisurely pace of fitness walkers and moderate-distance hikers. This 8.7 mile loop starts and ends at the picnic pavilion in Colonel Denning SP. It will be totally supported with water, snacks, and communications along the way. Not sure about your level of hiking endurance? Give the *March* a try and find out!

There is a limit of 150 hikers and 100 walkers. Registration will close once this limit is reached or on September 10, 2010, whichever occurs first. More details on the events' logistics will be provided directly to registrants.

· Registration fee includes a light, cold breakfast, snacks and drinks at each checkpoint, a light lunch at the finish, and a T-shirt.

To view a map of the route, the elevation profile, and other information, please visit our web site at: <http://mysite.verizon.net/vzezchws/index.html>

An optional pledge sheet for soliciting donations is also available.
